

GREETINGS CARDS FOR SALE
St Peter's Church Hall Roofs Appeal

Many people know I'm a keen photographer. I've decided to put my skills to good use by selling a selection of my images as greetings cards, to raise funds for the repair of the church hall roofs.

These high quality square cards, printed by Dandy Arthouse in Bingley, come in sets of four cards (see below), packed with envelopes. They are blank inside, for your own greeting. There are four different sets to choose from, and cost **£6 for a pack of four cards**.

Please support the appeal by buying some for yourself - and even perhaps some to sell to your family and friends. They are available direct from me. Please order by email: andreefreeman@gmail.com or send a text message to 07743 044800 (no voice calls please), saying which sets you want and how many packs. If I run out of packs, I will take orders and get some more printed.

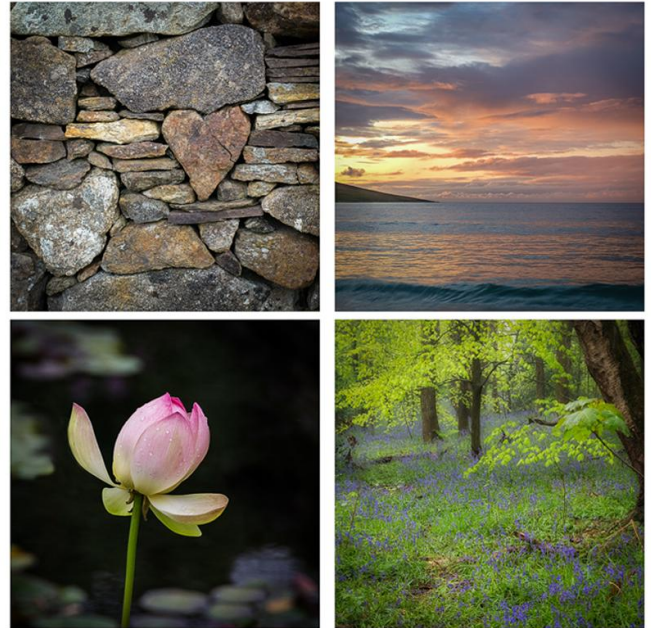

I also intend to be at church for the morning service on Harvest Festival Sunday 26 September, when I will have cards with me and can take orders. Thank you for your support.
