

ST. PETER'S
— SHIPLEY —

Sunday 24th April 2022 Second of Easter

The vision of St Peter's Church is to see the town of Shipley changed by the power of God. We want to see this happen through a Church which is filled with the power of the Holy Spirit and committed to the Word of God, which serves others in order to bring God's Kingdom. We want St Peter's to become a key transforming community bringing about this change, as a church alive with the joy of knowing and worshipping Jesus Christ.

WELCOME TO ST PETER'S SHIPLEY!

If you are a visitor or here for the first time, why not visit the welcome desk at the back of the church which will tell you a bit more about St Peter's and what goes on, or visit our website – www.stpetes.org.uk

If you are able to help in any way please leave donations in the box in the porch or give to Kerry during office hours in the week.

Many thanks for your generosity. Julie, Pete, Anthea, Sue.

Message from Colin Judd

Is anyone travelling near St John's College, Durham or Ridley Hall, Cambridge? If so, could you possibly deliver 2 clergy cassocks to the college? They are clean and in good condition and suitable for a tall ordinand. If you could help contact Colin Judd.

Living in Love and Faith

The PCC debated this Church of England report on sexuality in March, and a summary of their discussion was sent out to everyone a couple of weeks ago. All responses made online will be considered by the General Synod this summer.

The deadline for this is 30th April, and so it is still possible for you to send your own response at the following link:

Mission Partner News

Sheila Leech at FEBA sends recent news from Ukraine :

The town of Bucha has featured in some fairly harrowing news reports from Ukraine in recent days. Broadcaster Igor has just visited Bocha to assess the situation, and to consider how the team can best serve people who have stayed or are returning to the city: the things he saw were indeed terrible, but there were glimmers of hope too. "After spending the day visiting these devastated cities, I've started getting used to seeing destroyed buildings, destroyed apartments, tanks, broken glass, dogs running in the streets - it's like we are living in a post-apocalyptic movie.

"People, on the other hand, have really surprised me! People have joyfully come to these cities, cleaning up and repairing the streets. Hundreds of volunteers who wanted to help! I'm inspired by the faith of our people!

"While seeing this destruction has been saddening, it's people that are truly important. It will be much harder to rebuild the thousands of broken hearts than to rebuild these buildings. But this is possible with God's help!"

Please pray for the people from cities like Bucha that were occupied by Russian forces, who have suffered in ways we can barely imagine. Please pray also for the FEBC Ukraine broadcasters that are ministering to them - specifically for strength and wisdom, as they seek to share messages of hope in the face of conflict and uncertainty.

There are widely experienced food shortages in **Sudan** at the moment. Inflation has been soaring to over 200% pushing up prices of basic food items. This is an enormous pressure on the Christian community which tends to come from the poorer part of the population, creating an ongoing struggle to survive. Food insecurity is deteriorating to crisis level in various areas. Pray for Christians in Sudan and for **Archbishop Ezekiel** as he seeks to provide leadership in the midst of crisis.

Remember the work of **our local charities**, JOY, BEACON, the Zephaniah Trust, Shipley Neighbours and the Bradford North Food Bank.
