

ST. PETER'S
— SHIPLEY —

The vision of St Peter's Church is to see the town of Shipley changed by the power of God. We want to see this happen through a Church which is filled with the power of the Holy Spirit and committed to the Word of God, which serves others in order to bring God's Kingdom. We want St Peter's to become a key transforming community bringing about this change, as a church alive with the joy of knowing and worshipping Jesus Christ.

Yemen

I feel this quote from our friends in Yemen underlines the desperate need there. Today, out of every 100 people in Yemen, 70 have almost nothing to eat. 66 have no access to health care. 58 are without clean water. 15 are severely malnourished. None have faith in Christ. While Yemen's local churches have reported unprecedented growth since the nation's war broke out in 2015, their numbers remain far short of statistical significance in a nation of 30.5 million people facing physical and spiritual desperation
4 million people have been uprooted by the 7 year war, and things are expected to worsen in the coming months, due to soaring food and fuel prices stemming from Russia's war in Ukraine as well as underfunded aid programs. In spite of a 2 ½ month cease fire over 7,000 more desperate people have left home seeking jobs and food. We aim to send as much food as we can afford as well as medical supplies in our next container in a couple of months. Continue to pray for the tiny, faithful church there. Your prayer and support is much appreciated. Kathy

JOY shop

Volunteers are urgently needed to help in the JOY shop. Please do have a word if you feel that this is something you would like to help with. Kathy

Platinum Jubilee

If we borrowed items from you for the events and you would like these back then please collect these as soon as possible from Kerry in the office. There are also some newspapers and books on a table inside the car park door. Thanks

Bradford North Foodbank - Shipley

Thank you for all your donations. We have enough nappies, pasta, and baked beans but still need lots of other items.

We still need **UHT milk, fruit juice and deodorant**. We continue to need other items such as **tinned meat meals, tinned fruit, tinned fish, veggie meals, rice pudding, sugar, biscuits, tea, coffee and shampoo**.

Please also keep saving your empty washing up liquid bottles.

If you are able to help in any way, please leave donations in the box in the porch or give to Kerry during office hours in the week.

Many thanks for your generosity. Anthea, Julie, Pete, Stuart and Sue

A Prayer Zoom - Wednesdays 6.30pm:

Shipley is going through a transformation: post Covid, £25 million Town Fund projects and much more. Every Wednesday night there will be a prayer zoom to come and pray for our town. It's weekly so that you know it's on but feel free to come fortnightly, monthly or occasionally. You don't need to pray out loud, silent prayers are welcome just as much! Please contact Rhona North on: rhona.north@ntlworld.com for further info. The link will be the same every week. The start will be 6.30pm and finished by 7.30pm. You will be very welcome.

Eco Tip

To cut down on water waste, use water butts to collect rain water for your garden, or when running the hot tap collect the run off cold water for your garden. And, carry a reusable water bottle with you rather than buying water on the go. Have you an eco challenge or tip to share? Please email:

Mission Partner News

We have received the following urgent prayer request from Ian and Simea Meldrum in Brazil.

Dear Friends

We have been experiencing exceptional heavy rains here in Brazil that are causing major problems for our communities, work and families. The rains have caused extreme flooding, displacing people from their homes and causing deaths throughout communities. To date in the greater Recife/Olinda area 189 people have lost their lives, due to the flooding and mudslides. Many homes have been destroyed as it continues to rain as I write this.

During the last fortnight our normal program has had to be suspended as the team is working full out on the front line, with much-needed help from some of the larger churches (one of the positive results has been to see how the different churches have united and are sharing resources). For those who have lost everything, we have been distributing clothes, cleaning, and hygiene materials, and most importantly an average of 300 cooked meals daily, to those who have lost the ability to cook for themselves. There is still a big need for mattresses for those whose homes have been flooded and furniture destroyed. Please unite with us in your prayers for this community and the effects that are being felt from this extreme weather and for our work to be able to continue in supporting them.

Please also continue to pray for Sudan as our appeal draws to a close, and for our preparations for a visit from FEBA, including Sheila Leech, in July.

A HELPING HAND

We operate a Helping Hands Fund for any member of our congregation struggling financially. This is there to help with short term one- off needs. You can pick up a leaflet with more information from the welcome desk or church office or contact Mandy Thorlby (mandythorlby@gmail.com, or 07801 138180). If you'd like to donate to the Helping Hands Fund, please contact Andy Thorlby thorlbya@yahoo.co.uk or 01274 510951, or make a donation in the usual way into the church, clearly identified as "Helping Hands Fund".

This Church operates a Safeguarding Policy in line with national and diocesan guidelines. Our Safeguarding Officer is Frances Agar, (01274 780528). Child Line can be contacted on 0800 1111.
