

ST. PETER'S
— SHIPLEY —

The vision of St Peter's Church is to see the town of Shipley changed by the power of God. We want to see this happen through a Church which is filled with the power of the Holy Spirit and committed to the Word of God, which serves others in order to bring God's Kingdom. We want St Peter's to become a key transforming community bringing about this change, as a church alive with the joy of knowing and worshipping Jesus Christ.

JOY shop

Volunteers are urgently needed to help in the JOY shop. The Shipley shop is hardly viable at present due to staff retiring with ill health or family problems. Please pray urgently about this as it is a daily Christian presence, and gives golden opportunities for witness, quite apart from raising the funds for the work we do. Please do have a word if you feel that this is something you would like to help with. Bless you all for your prayers and support. Kathy

Yemen

I feel this quote from our friends in Yemen underlines the desperate need there. Today, out of every 100 people in Yemen, 70 have almost nothing to eat. 66 have no access to health care. 58 are without clean water. 15 are severely

malnourished. None have faith in Christ. While Yemen's local churches have reported unprecedented growth since the nation's war broke out in 2015, their numbers remain far short of statistical significance in a nation of 30.5 million people facing physical and spiritual desperation

4 million people have been uprooted by the 7 year war, and things are expected to worsen in the coming months, due to soaring food and fuel prices stemming from Russia's war in Ukraine as well as underfunded aid programs. In spite of a 2 ½ month cease fire over 7,000 more desperate people have left home seeking jobs and food. We hope to pack a 40 foot container for Yemen early in September, depending on supplies and funding coming in, with as much food as we can afford as well as medical supplies. Continue to pray for the tiny, faithful church there. Your prayer and support is much appreciated. Kathy

Ukraine

Medical staff are desperate for:

Bandages, dressings, cotton wool, catheters, stoma dressings. Dates are no problem as customs are waving them through.

Vitamins, paracetamol etc (NO prescription drugs!) calcium, iron, folic acid, wheelchairs, walking frames, NEW newborn clothes

pasta, rice, tins of meat, feminine pads, tablet soap (not liquid- bottles split in transit and let's save on plastic!!) toothbrushes and paste, towels, blankets.

Kathy will be packing a van for Ukraine tomorrow; full of good medical supplies, food, blankets and wash bags – thank you!

Bradford North Foodbank - Shipley

Thank you for all your donations. We would be grateful for the following items:

long life fruit juice, UHT Milk (semi-skimmed or full fat), peanut butter, jam, tinned fish, biscuits, deodorant, toothpaste, shampoo.

Please also keep saving your empty washing up liquid bottles.

If you are able to help in any way, please leave donations in the box in the porch or give to Kerry during office hours in the week.

Many thanks for your generosity. Anthea, Julie, Pete, Stuart and Sue

A Prayer Zoom - Wednesdays 6.30pm:

Shipley is going through a transformation: post Covid, £25 million Town Fund projects and much more. Every Wednesday night there will be a prayer zoom to come and pray for our town. It's weekly so that you know it's on but feel free to come fortnightly, monthly or occasionally. You don't need to pray out loud, silent prayers are welcome just as much! Please contact Rhona North on: rhona.north@ntlworld.com for further info. The link will be the same every

week. The start will be 6.30pm and finished by 7.30pm. You will be very welcome.

Mission Partner News

Julian and Catherine Shelton ask us to pray for their family as their eldest daughter Ella prepares to go to University in the autumn. Catherine is taking part in the London Marathon in October to raise money for a project in Kenya.

The situation in Russia and Central Asia continues to pose problems for Bible translation as travel there is not currently possible. Julian hopes that it may be possible to meet with others involved possibly in Turkey or Georgia before the end of the year. Please pray that this may happen.

Wycliffe Bible Translators also ask our prayers for their projects to get Bible translations onto smartphones. In many countries it is illegal to own a physical Bible, but less dangerous to access Biblical material on a smartphone via an app.

Please pray for those developing this technology, for the finance to make this possible, and for the effective spread of scripture in this way.

Give thanks for our successful appeal for **Sudan**, and pray that we may be able to get this money quickly to where it is needed. Pray for **Archbishop Ezekiel Kondo**, who will be attending the Lambeth Conference in the next few weeks.

Give thanks that we can welcome a team from FEBA to lead our services this weekend, and for a continuing fruitful partnership with International Director Sheila Leech. Pray in particular for their ministry in Ukraine as the war continues there, that the radio ministry will ensure that the Gospel is heard even in the most desperate places.

A HELPING HAND

We operate a Helping Hands Fund for any member of our congregation struggling financially. This is there to help with short term one- off needs. You can pick up a leaflet with more information from the welcome desk or church office or contact Mandy Thorlby (mandythorlby@gmail.com, or 07801 138180). If you'd like to donate to the Helping Hands Fund, please contact Andy Thorlby thorlbya@yahoo.co.uk or 01274 510951, or make a donation in the usual way into the church, clearly identified as "Helping Hands Fund".

This Church operates a Safeguarding Policy in line with national and diocesan guidelines. Our Safeguarding Officer is Frances Agar, (01274 780528). Child Line can be contacted on 0800 1111.
