

**ST. PETER'S**  
— SHIPLEY —

The vision of St Peter's Church is to see the town of Shipley changed by the power of God. We want to see this happen through a Church which is filled with the power of the Holy Spirit and committed to the Word of God, which serves others in order to bring God's Kingdom. We want St Peter's to become a key transforming community bringing about this change, as a church alive with the joy of knowing and worshipping Jesus Christ.

## Message from Shipley Christians Together

SCT would like to encourage people to sign the below online letter:

<https://action.trusselltrust.org/sign-letter-new-prime-minister>

Together, we want to send a clear message to Liz Truss or Rishi Sunak that emergency food is not the solution to pulling people out of poverty, and that they must take urgent action to ensure that everyone has enough income, from work and social security, to afford the essentials we all need to live on.

Thank you.

## Eco Tip

Oxfam states that 'When a new pair of jeans is made, an estimated 16.2kg of CO2 is emitted – the equivalent of driving over 58 miles in a car.' Could you take on the 'Second hand September' challenge to only buy preloved clothing for 30 days? Have you an eco challenge or tip to share? Please email

## Mission Partner News

### Alice Shirengo

Alice asks us to pray for Jose, the youngest of her foster children, who has had Covid 19. He is responding to drugs, but not as well as hoped. Jose misses his mother very much but she is not fit to care for him any more. Please pray for Alice and her family, for financial provision for her and the children she fosters, and for her church in Kenya.

### Garry Ion

Garry is a CMS Mission Partner currently working Cumbria Looking after his elderly parents and developing the programme at the Community Shed in Carlisle.

This project works alongside mental health and social services in the area to provide a safe space for those who are struggling with isolation, depression and anxiety. The name has had to be changed from the 'Men's Shed' because one or two female members have arrived! Partnerships are being built with the local psychiatric hospital so that inpatients can have access to therapeutic activity. About thirty people attend in six groups during the week

Garry writes ; " During the lunchtimes we try to have deeper interactive conversations, getting to know more about one another. Out of this, before sessions begin on Friday mornings, we hold a short Bible Study and time of open prayer. It is encouraging to see one or two members come to these meetings to share and ask for prayer."

Pray that through this work the members will begin to discover a relationship with God through Jesus. Garry also asks that we pray for the Christians in Uganda and South Sudan (where he used to work as a builder), who despite immense physical hardship, still have a vibrant faith in Jesus Christ.

### Local charities

Please also pray for the local charities we support – BEACON, the Zephaniah Trust, the CAP Debt Centre and the Bradford North Food Bank.
