

ST. PETER'S

— SHIPLEY —

The vision of St Peter's Church is to see the town of Shipley changed by the power of God. We want to see this happen through a Church which is filled with the power of the Holy Spirit and committed to the Word of God, which serves others in order to bring God's Kingdom. We want St Peter's to become a key transforming community bringing about this change, as a church alive with the joy of knowing and worshipping Jesus Christ.

HIVE moving in

As you may be aware HIVE a local arts charity are moving into the small hall and upper room whilst their building is being 'done up'. They are currently helping us to fundraise to do up the two rooms so they can be used for a community space and office. If you are able to we would really appreciate helping us fund raise – donate money to [Hive Bradford fundraising & online donations | KindLink](#)– or donate 'White Silk Emulsion' paint. It would be most appreciated. Thanks, Staff Team & Hive

Joy

Just having to deal with all the paperwork necessary for customs in Yemen for the container on Friday, a bureaucratic nightmare as far as I'm concerned!! Pray I get it sorted & completed in time, as we never know just how much we can get onto the container in the end apart from the pallets already strapped & waiting, (as we fill all available space) so everything has to be updated at the last minute!! Most importantly please pray that its accepted. Thank you all. Kathy

Notice from Duncan Milwain.

Duncan's ordination is 1st July at Bradford Cathedral at 11.00am. If anyone would like to attend, then seats will be available on a first come, first served basis – and in any event the cathedral has asked that anybody coming has to be seated by 10.45am. As you will probably be aware parking at the cathedral is very limited. If enough people would like to come along then we can look at hiring transport to get to the cathedral. There is a sign-up sheet at the back of church. If people could put their names down by June 18th we can then work out how best to deal with this.

There will also be a 'do' back here in the lounge at St. Peter's starting at 1.45pm. We will be providing savoury food – if anyone would like to bring cake or dessert then that would be welcome! Again, please put your name down on the sign-up sheet if you are happy to contribute. Thank you! Duncan

(We understand that the Ordination Service is to be livestreamed by the Cathedral between 11.00am and 1.00pm. Simply click on the link below, <https://www.youtube.com/watch?v=XXReOC5XjAk>

Bradford North Foodbank – Shipley

A huge thank you for all your donations which help us to be able to continue to feed people who need help and to signpost them to further support.

Did you know that people from St. Peter's donated an amazing 2,176 kg of food in the year to 31 March 2023? This makes food parcels for 103 families, providing 3,153 meals alongside other daily essentials. There is a certificate from the foodbank on display in the new porch.

At the moment we especially need: **tinned potatoes, soup, dried milk, hot chocolate, UHT Milk (whole milk and semi skimmed), UHT fruit juice (not from the chiller cabinet), pasta sauce, instant mash.**

Please also remember to save and donate empty **washing up liquid bottles.**

Please continue to pray for the work of the foodbank, the people who come, the staff, and volunteers who give their time to support and listen to people in need. Thank you. Anthea, Julie, Pete, Stuart and Sue

Mission Partner News

From Ian and Simea Meldrum in Brazil

In recent years, as we have concentrated on the active prevention of all forms of child abuse, it has become increasingly apparent that whilst we have continued to expand the numbers of children included in the program designed to help children in deprived areas, we must also work with the Family units. So as well as our activities with the children, we have launched an extensive program with the adult members of the families this year. Firstly, amongst the children, the work continues, with our homework classes, sports activities, and other educational activities, including financial education, sexual abuse awareness, and Family moments. This work is going very well and continues to grow.

Our emphasis on professional development for mums is proving very popular and we have several courses in full swing; Professional care of the elderly, Pastry cooking for small outlets, Sweets and cakes for sale, etc.

We also have a basic computer course starting very soon. We have been lucky to have had our son's (John) company do the necessary technical installations for this, meaning that we are almost ready for the first groups to begin in June. We are very excited about the family and adult work that we are developing parallel to the children's work, and believe that this is something that will support the communities we are working with even more, whilst helping them to help themselves out of their own situations. We believe in giving individuals and power to change and the skills to grow, and this is definitely something we have seen work over the years.

Sudan

The latest Whatsapp message from Archbishop Ezekiel says “The ceasefire agreement never worked and again the extended one is not also working. Fighting is continuing. But we are well and safe. Suria [his wife] is well, we spoke with her yesterday. Sila [his son] fled to South Sudan for security reasons but he is well and safe. The Cathedral is greatly damaged including my house, the Dean’s house and Curate’s house. Everything has been looted from the houses. The Cathedral is occupied by forces! Prayer for protection and food. Thank you so much for your love, care and concerns.”

We understand that Ezekiel is now in Port Sudan on the Red Sea coast with his younger daughter. Suria, his wife remains in the Nuba mountains. He hopes that his time in Port Sudan will only be temporary.

Pray for plans to organise a vigil for Sudan at St Peter’s next month.
